

Welcome, we're so glad you're here!

With hearts full of love, our staff and volunteers are passionate about creating a community for families with young children where everyone feels very welcomed. We provide a warm, caring environment, opportunities to connect and of course, yummy food and drinks from our simple and (mostly) homemade menu!

Feel free to chat to our friendly volunteer Teapot Chaplain anytime, they are here to listen. We also have our free Community Activity Table inside that your little ones can enjoy at anytime.

Make yourself comfortable, this is *your* home away from home.

A little more about us: We are a volunteer run charity that dreams of pouring out love & kindness. We believe God loves us unconditionally and so we want to love like that too. We partner with Lifeway Christian Church who love giving to help us provide this safe space for you.
